

# O'BRIENS

RELIABLE FENCING PRODUCTS

## PRODUCT BROCHURE

## Introduction

Built from quality materials, an O'Briens system offers economical electric fencing products that will contain your animals safely and effectively.

The O'Briens range of reels, insulators, energizers and accessories provide long lasting, reliable performance for today's challenging farming conditions.

## O'Briens Guarantee

### **INSULATORS AND ACCESSORIES**

All O'Briens Insulators and Accessories are guaranteed from fault for one year from date of purchase.

### **ENERGIZERS**

O'Briens Energizers are guaranteed from fault for two years after date of purchase. A proof of purchase is required by the manufacturer to process this warranty claim. The warranty does not cover defects due to:

- Incorrect input voltage
- Physical mishandling
- Vermin or ant damage
- Lightning strike
- Damage to external wiring
- Water immersion
- Damage resulting from battery leakage or chemicals
- Attempted repair or modification by a non-authorized person.

If any warranty defect occurs during the warranty period, return the product with proof of purchase to your nearest O'Briens dealer, distributor or directly to the manufacturer.

Warranty is limited to repair or replacement (at the manufacturer's option) of any faulty product that is returned within the warranty period. Warranty is limited to defects in product materials or workmanship. The manufacturer, their Distributors and their Dealers accept no responsibility for misuse of this product. The manufacturer, their Distributors and the their Dealers accept no responsibility for any accident caused subsequent to any tampering with, or modifications to or misuse of the product.

# Contents

## **ENERGIZERS**

Mains Energizer 7900  
Mains/Battery Energizer 1900  
Battery Energizer 120  
Solar Energizer 70

**Pg 4-5**

## **POWER ACCESSORIES**

Fault Locator  
Knife Cut Out Switch

**Pg 6**

## **CABLE AND WIRE**

Polywire  
Underground Cable 2.5mm

**Pg 7**

## **INSULATORS**

High Strain Insulator  
Woodpost Claw Insulator  
Woodpost Pinlock Insulator  
Y Post Pinlock Insulator

**Pg 8-9**

## **ELECTRIC FENCING REELS**

Economy Reel  
3:1 Geared Reel  
3:1 Geared Reel + 200m Polytape  
3:1 Geared Reel + 500m Polywire  
3:1 Mega Geared Reel  
Economy Triple Reel + 500m Polywire  
Geared Triple Reel + 500m Polywire  
Spare Gear Box

**Pg 10-12**

## **GATE ACCESSORIES**

Bungy Rope  
Electric Gate Anchor Assembly  
Insulated Handle Hook  
Heavy Duty Gate Break – Black/Red  
Heavy Duty Gate Break – Yellow  
Gate Break

**Pg 13-14**

## **NOTES**

**Pg 15**

## Energizers

O'Briens energizers guarantee a high-energy pulse that will effectively control animals even over long distances. Choose from either Mains or Battery powered energizer depending on your farm situation.

### MAINS ENERGIZER 7900 OB10775

- Stored power: 14.5 Joules
- Powers up to 60 ha / 60 km
- Remote capable
- Digital voltage display
- High and low power output terminals
- Certified to NZ standards

### MAINS/BATTERY ENERGIZER 1900 OB10774

- Stored power: 3.5 Joules
- Powers up to 15 ha / 3 km
- Mains or battery power
- Remote capable
- LCD displays output voltage
- Low battery warning
- Certified to NZ standards

# Energizers

## **BATTERY ENERGIZER 120** **OB10770**

- Stored power: 0.15 Joules
- Powers up to 0.8 ha / 1.5 km
- Operates from an external 12 volt external battery or 4x D-cell batteries for optimum portability
- Designed for maximum versatility and reliability
- Sealed protected electronics & indicator lights
- Super low battery consumption

## **SOLAR ENERGIZER 70** **OB10771**

- Stored power: 0.13 Joules
- Powers up to 0.5 ha / 1 km
- Solar panel charges an internal 12 volt battery
- High and low power mode
- Battery status light

## Power Accessories

### FAULT LOCATOR

OB10780

- For use on electric fences
- Arrows indicate direction of a fault

### KNIFE CUT OUT SWITCH

OB10423

- Simply turn power off or on to a selected area
- Fits securely onto any post checking at a glance
- Fits securely onto any post
- Mounting screws supplied

## Cable and Wire

### **POLYWIRE** **OBOB500PW - WHITE** **OB500PW - ORANGE**

- 6 strand stainless steel wire
- 1 year warranty
- 500m roll

### **UNDERGROUND CABLE 2.5MM** **OB20003 - 50M**

- Double insulated cable
- Ideal for under gateways
- 1 year warranty
- 50m length

### **UNDERGROUND CABLE 2.5MM** **OB20004 - 100M**

- Double insulated cable
- Ideal for under gateways
- 1 year warranty
- 100m length

## Insulators

**All O'Briens insulators are made of UV resistant materials and designed to endure even the harshest farming conditions.**

Whatever your fence construction - the O'Briens insulator range is made to ensure the best possible performance from your permanent electric fencing system - from protecting your conventional fencing from stock damage with offset insulators, to woodpost insulators for your high tensile fence.

### **HIGH STRAIN INSULATOR** **OB10461**

- Suitable for corners, ends and angles
- Manufactured from fibreglass reinforced polyester
- 1 year warranty
- Pack of 25

### **WOODPOST CLAW INSULATOR** **OB10482 - PACK OF 25** **OB10488 - PACK OF 100**

- Accepts up to 8mm wire diameter
- Manufactured from UV resistant high density polyethylene
- 1 year warranty

# Insulators

## WOODPOSTPINLOCKINSULATOR

OB10473 - PACK OF 25

OB10478 - PACK OF 100

- Accepts up to 8mm wire diameter
- Manufactured from UV resistant high density polyethylene
- Pinlock for easy wire removal under tension
- 1 year warranty

## Y POST PINLOCK INSULATOR

OB10826 - PACK OF 25

OB10827 - PACK OF 100

- Accepts up to 8mm wire diameter
- Large spark shield
- Suitable for steel Y post and as a standoff insulator
- Manufactured from UV resistant high density polyethylene
- 1 year warranty

## Electric Fencing Reels

O'Briens offer a range of long lasting, durable geared reels in both medium and wide spool widths as well as traditional geared and standard reels. Constructed of UV resistant polymer plastic and galvanised steel, O'Briens reels are built to last and will provide maintenance free performance for your fencing system.

### ECONOMY REEL OB10074

- Strong and durable
- Use with a carry handle or mounting post
- Galvanised steel frame and crank handle
- Approximate capacity for 500m Polywire or 200m Polytape
- 1 year warranty

### 3:1 GEARED REEL OB10201

- Heavy duty gear box with 3:1 gear ratio for easy wind in
- Complete with easy grip PVC handle, wire guide and handle hook
- Lightweight and strong
- 200m Poly tape or 500m Poly wire capacity
- Can be attached to Reel Stand
- Galvanised crank handle mounted on nylon bushes to reduce wear
- One piece moulded spool
- 1 year warranty

## Electric Fencing Reels

### 3:1 GEARED REEL + 200M POLYTAPE OB10210

- Heavy duty gear box with 3:1 gear ratio for easy wind in
- Complete with easy grip PVC handle, wire guide and handle hook
- Lightweight and strong
- Galvanised crank handle mounted on nylon bushes to reduce wear
- One piece moulded spool
- 1 year warranty

### 3:1 GEARED REEL + 500M POLYWIRE OB10211

- Heavy duty gear box with 3:1 gear ratio for easy wind in
- Complete with easy grip PVC handle, wire guide and handle hook
- Lightweight and strong
- Galvanised crank handle mounted on nylon bushes to reduce wear
- One piece moulded spool
- 1 year warranty

### 3:1 MEGA GEARED REEL OB10002

- Genuine 3:1 ratio, large capacity geared reel
- High impact polymer
- Solid steel crank with Nylon bushes
- Use with a carry handle or mounting post
- Galvanised steel frame and crank handle
- Approx capacity for 1200m Polywire or 400m Polytape

## Electric Fencing Reels

### **ECONOMY TRIPLE REEL + 500M POLYWIRE** **OB10607**

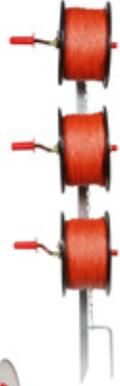

- Pre-assembled with post plus 3 Economy Reels
- Galvanised steel frame
- Includes chain for post attachments
- Comes prewound with 500m orange Polywire

### **3:1 GEARED TRIPLE REEL + 500M POLYWIRE** **OB10604**

- Pre-assembled with post plus 3 Geared Economy Reels
- Galvanised steel frame
- Includes chain for post attachments
- Comes prewound with 500m white Polywire

### **SPARE GEARBOX** **OB10416**

- Replacement gearbox for Geared Reels
- Complete with fix washer, spacer and end cap

## Gate Accessories

O'Briens offer a range of reliable gate accessories to compliment your fencing system.

Crafted from quality, farm ready materials - O'Briens offer practical, reliable products that will suit most farming environments.

### BUNGY ROPE

**OB10581**

- Six stainless steel strands
- Shock cord can be stretched to two and a half times it's own length
- 1 year warranty
- 100m roll

### ELECTRIC GATE ANCHOR ASSEMBLY

**OB10508**

- Three anchor points
- Non-rust galvanised plate
- Power connects to bolt below plate
- Pack of 10

### INSULATED HANDLE HOOK

**OB10501 - YELLOW**

**OB10502 - RED**

- Designed for temporary fence lines
- Self insulated, allowing handling when power is on
- Highly visible
- 1 year warranty
- Pack of 10

## Gate Accessories

### HEAVY DUTY GATE BREAK – BLACK/RED

OB10550

- Highly visible
- One piece moulding
- Fully insulated handle
- Galvanised steel spring tension loop and hook

### HEAVY DUTY GATE BREAK – YELLOW

OB10551

- Highly visible
- One piece moulding
- Fully insulated handle
- Galvanised steel spring tension loop and hook

### GATE BREAK

OB10562

- Used for carrying electricity from gateways or to link existing fence to portable fence
- One piece moulding
- Fully insulated handle
- Galvanised steel spring tension loop and hook
